- **Friday January 13**
 - All project modifications and updates due
- **Friday, January 27**
 - PROJECT STATUS REPORT 2 sent to sponsors
- **Wednesday, February 1**
 - Final deadline for all updates and modifications to all projects
- **Tuesday, February 7**
 - PROJECT STATUS REPORT 3 (FINAL REPORT) sent to sponsors
 - This is the final report - no more additions, changes or modifications may be made after this date
 - Deadline to notify Lehigh University of students who no longer plan to participate
 - This final report will identify any participants who have not fulfilled all of the requirements and SRC requested changes/modifications
 - Students who have not completed all updates/modifications will not be able to participate in the fair
- **Tuesday, February 21**
 - Letters sent (via US mail) to approved participants that they have been approved to participate in the LVSF
- **Friday, March 10, 2017**
 - Registration, project set-up, and safety check for all students from 4:00 PM to 8:00 PM.
 - If the student is unable to attend registration, someone else (parent, teacher or friend) can set up on the student's behalf. Projects MUST be set up Friday night - no exceptions. Participants should bring their log or research book on Friday.
 - Parents and teachers may view projects during this time. This is the only time allowed for anyone other than participants, judges and fair officials to be on the floor.
- **Saturday, March 11, 2017**
 - Day of fair from 12:15 PM to 5:00 PM
 - Teachers and parents are NOT permitted on the floor during judging on Saturday. A separate area will be set up for parent and teachers who wish to attend. The public may view projects on Friday evening during the registration and set up time. All students MUST set up their project in Rauch Field House on **Friday, March 10th 2017** between 4:00 PM and 8:00 PM. If the student is unable to, a parent or teacher can set up on the student's behalf. Projects will NOT be allowed to be set up on Saturday morning. NO EXCEPTIONS WILL BE MADE.

Please contact the Office of Academic Outreach with any questions at 610.758.4802.
